

The Tesco Clubcard points guide

Thank you for considering a Tesco Mortgage. Your mortgage intermediary has handed you this factsheet to explain, in a little more detail, the Clubcard benefits that come with one of our mortgages.

How to collect Clubcard points on your mortgage

Collect Clubcard points

You'll collect one Clubcard point for every £4 you pay on your monthly repayments and any regular or lump sum overpayment.

You won't collect Clubcard points on any fees or charges paid separately, or any overpayments that pay off your mortgage in full.

You can also take advantage of the other ways to collect Clubcard points, from shopping at Tesco stores, online or at Tesco Petrol Filling Stations.

Clubcard points collection rates are subject to change.

How it all adds up

Get vouchers

Every three months your Clubcard points will be turned into Tesco Clubcard vouchers, which you can use to save money¹ in Tesco stores or at **Tesco.com**

So you'll soon have enough for a nice little reward – or even a big one.

Make your Clubcard vouchers go even further

Get even more value with your vouchers by using them with Clubcard Reward Partners. With a great range of Partners to choose for hotel stays, eating out and travel. See the full range of partners at tesco.com/Clubcard

How to get started

Simply tell us your Tesco Clubcard number and we'll do the rest. You can tell us this when you apply, update it online via online banking, or call us at any point to update your details. If you forget to tell us your Tesco Clubcard number but let us know within the first three months of your mortgage being set up, we'll backdate your points from your first payment.

Not a Clubcard member? Not a problem.
